Golf Reception

Vice Captain Tim Stubbs welcomes Phil Toomer to Wrekin Golf Club and wishes him well with this new venture. PT Golf will be advising the membership of offers over the coming months.

We are also proud to announce that we now have 2 professionals affiliated to the club.

Owen Evans and Jamie Brittain are available for individual or group coaching sessions.

Seniors section

The annual 'Albert' trophy was recently played for between the seniors and ladies. 5 pairings from each section went head to head with the seniors being victors with a 4½ - ½ win. The matches were played in the true spirit of the game with everyone enjoying the day.

Ladies Captain, Rosemary Stubbs is pictured presenting the Albert trophy to Derek Taylor.

Junior Section

We have drawn Arscott and Ludlow in the handicap league. Both home and away matches have to be played by 29th June.

Junior training will start from Friday 9th May at 5:45pm. Jamie Brittain will be taking a variety of different sessions on Fridays (unless we have a match) throughout the summer. Sessions cost £2 pp. Training is open to all junior members.

Pros Tip

If you're looking for extra distance off the tee. Try moving the ball position an inch further in your stance and teeing the ball just a fraction higher than normal. The ball should launch higher off the club face and carry a few more yards through the air for you.

Catering

During April the Augusta Masters sweepstake saw a great number of entries. An Easter raffle was also held which raised £150 for the Captains charity.

St George's night was very successful with new to Wrekin entertainer Ade Morris providing a fantastic variety of music.

Coming up in May is the Wrekin Race Night, a fun filled evening of horse racing where everyone has a chance of winning. Race sponsorship is available at £10 per race.

Congratulations to Sharon and Becky for achieving a 5* rating from Telford & Wrekin Council for kitchen hygiene. A great effort which backs up the consistent good quality of food served by the team.

Health & Safety

The following people have completed defibrillator training:-

Rosemary Stubbs
Becky Bradshaw
Ron Morton
Richard Gallier
Steve Walters

If use of this device is needed on the course, contact the clubhouse immediately.

Hole In One

Congratulations to Colin Vickers who had a hole in one on the 2nd whilst playing in the Lanyon Star Parton 1.

Wrekin Golf Club Open Weekend - 24th & 25th May

If you know anyone who is interested in becoming a member, please remember to invite them along to the open weekend.

Birthday Girls

Three of Wrekin Ladies recently celebrated special birthdays by arranging a game of golf and afternoon tea party. Pictured are Jean Barrowclough, Sheila Hayward, Cath Maiden and members of the winning team on the day.
